

Pegasus Cub Section Report 2007/8

Well it's hard to believe another Year has passed. The cub section has had a wonderful year with the many events from 2007 to date, many event's celebrating our centenary.

The Pack has seen numbers increase and decrease due to members going to Scouts and coming up from Beavers, with a slight rise in overall numbers and the number of girls increasing. **If this trend continues we may have to start a waiting list (or another Pack???)**

Also an interesting time as we have had the 8th Longthorpe Group meeting at the hall and we have welcomed them and included them in our planned events, camps, meetings, and trips, passing on skills and knowledge and gaining idea's, whilst making many new friends.

We have several promising Leaders Joining our section and due to a heavy workload and Scouting commitments I have had to rely on my team of Leaders and helpers even more, all of whom wear several hats in Scouting. Add to this their involvement in the local community, where we might help out at the local fete, be it supplying tents (including erecting), helping out in the local church (several clean ups this Year as a Group) The big breakfast, supporting the Big Sleepover/Scalelectric , Peter fest/Party in the Park and numerous other activities that were/are part of an exciting Year.

So can I have a big thank you to all of them? Definitely, but I always like to see new faces, so if any parents, grand parents, aunts, uncles, older brothers or sisters have any skills, hobbies, interests or spare time they would like to share on a one off or regular basis, please see a Leader; there are uniformed and non-uniformed, helper positions available in all sections.

Without Graham Sharman's help and involvement throughout the year, I would not have coped. Graham has spent numerous hours carrying out all number of duties (many at short notice). He is a pinnacle on whom all sections rely and who is now finding the time to take on Leadership duties and training, to offer additional activities to our Group and others.

I should like to make a new award "The Order of the Blanket" to our Quartermaster and thank him for all his help.

We are always looking for help, (either as a one off or on a regular basis). During the summer holidays we have various tasks/duties both evenings and weekends, so if any of you can spare some time give us a call.

Dean Irons - "*Skip*"
