

## Centenary Camp 2007 Wind-up Newsletter

# ‘Wet, wet, wet’

No, not the pop group but the members of the Scout Association camping at Ferry Meadows! A few drops of rain didn't dampen our spirits did it? From the letters, telephone calls and emails I am receiving the young people who attended had a 'fab' time and this, to me, makes all of our efforts worthwhile, I hope you agree.

Thank you to each group for leaving their campsite free from litter. The warden at Ferry Meadows was very happy and complimented us on leaving the area as we found it – well done everyone.

Competition Winners – certificates will be sent to winning Packs and Troops.
