

Party in the Park

1st July

12noon until 5pm

Central Park, Peterborough.

As part of our Centenary Celebrations we have been given the chance to participate in the Peterborough Festival. On 1st July at Central Park we have been given an area to FILL with Beavers, Cubs, Scout and Explorer Scouts all showing the general public what Scouting is all about.

Could you bring your Colony, Pack, Troop or Unit? They need to be in full uniform and demonstrating or participating in an activity the general public could watch or even join in.

At 12 noon the Scouts open the event with Flag break around the central flagpole and then demonstrate until 4.45pm when we close the event with Flag down. During the afternoon we have two half hour slots on the large stage where we will be doing a mini gang show.

This is a great chance to publicise Scouting and although I can organise it I can't do it alone and need your help to arrange an activity and bringing your young people – of course mums and dads can join us and stay to enjoy the whole event and its FREE for everyone.

Some of the participants:

48th Peterborough (Werrington) Cubs – singing camp fire songs

58th Peterborough (Westwood and Ravensthorpe) – cooking twists

2nd Nene (The Ortons) Scouts – tent pitching

If you need tables and chairs for your activity, providing I know, I can arrange for these to be available.

Please think about the above and if you can help me out I would be very pleased.

Kind regards,

Gillian Mason ADC Activities Nene
