

22 Dec 2008 – A Christmas Message from the County Commissioner

With the festive season almost upon us I would like to take this opportunity of thanking all members, leaders, supporters and very importantly your families for the support they have given you over the last year for all the work you have done for Scouting in Cambridgeshire.

Scouting is continuing to go through some very exciting times, there were some new events in 2008 and more planned for the future - see the next edition of [Noticeboard](#) in January for more information.

We are seen as modern, relevant and growing, with both young people and adults voting with their feet and joining us.

We have more adult support now than at any time in our recent past and I have been pleased to announce three new District Commissioners: Will Bull in Granta, Simon Gates in Cambridge and Chris Pallister in Medehamstede. I am sure you will join with me in wishing them every success in their new roles.

Thank you very much for your work and support over the last year. Have a great festive season and I look forward to meeting you all in 2009.

Yours sincerely

Richard Hames

County Commissioner
