Subject: New County Commissioner

As you are aware Richard Hames stood down as County Commissioner, on the 31st December 2011. A Search process was undertaken, following which it is a pleasure to be able to announce that the Headquarters Appointments Advisory Committee has confirmed the recommendation that Liz Craig be appointed as the new County Commissioner for Cambridgeshire. Liz will take up the Appointment with effect from 1st March 2012.

Liz has held a variety of roles in Scouting and is currently a District Commissioner in Essex. Having listened to her plans for engagement with the County and building on its many strengths, I believe that the County will continue on its journey of growth and development.

It is also right that I acknowledge and thank the Search Group for the work in assisting with the process of finding a new County Commissioner. It is never an easy task but one that they have undertaken in a most professional manner. Thank you Terry, Hannah Paul David and Gary.

Finally, I would like to take this opportunity to thank Richard for the work that he has done and all that he has achieved during his time as County Commissioner. Richard will continue to make a valuable contribution to Scouting as a member of the Board of Trustees. I am sure that you will join me in wishing him well.

Yours sincerely
