FUND RAISING ACTIVITIES 2011
Sainsbury's Active Kids Vouchers

for Schools & Clubs Vouchers

Recycling MOBILE PHONES and PRINTER CARTRIDGES

Dear Parents, Friends and Members,

1st March 2011

Once again we have decided to register with Sainsbury's Active Kids along with the Tesco for Schools and Clubs campaigns. These campaigns primarily present us with an excellent opportunity to renew and extend our sports equipment. In previous years we received some excellent equipment, such as balls, foam blocks, a hockey set, marker posts and the popular giant football, which I know are being put to good use. One voucher is usually given for every £10 spent in store or at petrol forecourts.

We will be collecting vouchers as the whole of Second Nene so we stand a greater chance of collecting more vouchers. Please can you bring vouchers to weekly meetings a collection box will be provided which will be stored in the hall so each sections vouchers can be stored safety.

If you know any family, friends or work colleagues please ask them if you could have their unwanted vouchers so we can collect as many as possible. I would also like to take the opportunity to remind you that we are also collecting unwanted mobile phones and inkjet/laser cartridges to help raise troop funds. So again, please ask family, friends and colleagues for these unwanted items. Any parents/guardians who work in small companies can I please urge you to ask if you can have unwanted printer cartridges as these can be very profitable for the troop and small companies are less likely to be tied to corporate contracts that require the business to give the cartridges back after use.

Should you wish to advertise our collection, posters and leaflets are available through section leaders or from me. These can be pinned in workplaces to encourage others to donate their vouchers.

Thank you for your continued support and I look forward to counting all the donated vouchers.

Kind Regards

Matt Belcher
